Law Department, Bangalore.

Sir,

Re: Enhancement of feeding charges of the breeding bull maintained by the Veterinary Dept. at Kunigal.

In forwarding herewith in original, the letter received from the President, Town Municipal Council, Kunigal on the above subject, I have the honor to state as follows.-

The President states that a reference has been received from the District Veterinary and Live-stock Officer, Tumkur, stating that the monthly feeding charges of Rs 15/- paid so far has been found to be inadequate for the maintenance of the bull and that the said charges be raised to Rs.30/- per mensem in view of the rise in the price of horsegram etc. This was considered by the Municipal Council at their meeting held on 30-5-1944 and it was resolved that monthly feeding charges of Rs.22-8-0 may be paid till conditions get normal.

The expenditure seems to be more than the receipts as seen from the provisions made in the Budget Estimates of this Town municipality, as per details furnished in the margin*. Though the council was advised to depute one of the Municipal employees to look after the bull and thereby save Rs. 180/- to be paid as pay and D.A. to Care-taker they have still re-iterated that a care-taker is necessary.

Considering the present conditions, a care-taker seems to be unnecessary and one of the Municipal employees deputed to look after the bull may be given a monthly allowance of Rs.5/-.

* vide overleaf.
